

SUPER SPORT

SERIES BENEFITS

Capable and Confident

Super Sports are designed for quick and easy use, making them perfect for families. They can be easily towed, parked in a garage, and are safe and fun to operate. They have powerful Mercury engines and sturdy construction, allowing them to handle rough saltwater and work as great yacht tenders or work boats.

Go Boldly

- Rigid, durable construction is ideal for fishing, utility or tendering
- Reliable Mercury FourStroke outboard power delivers confidence
- Easy hose-and-go cleaning and trailerability keep things simple
- Stainless steel side rails provide added safety

Core Comfort

- No-feedback steering allows for maximum comfort and control at the helm
- Smart storage solutions keep onboard space clutter-free
- Optional sun-tops on select models provide shaded comfort
- A variety of layouts and seating options keep all onboard comfortable
