

DAUNTLESS

SERIES BENEFITS

Capable and Confident

The Boston Whaler Dauntless truly lives up to its name. Well equipped for both watersports and offshore fishing, the center console Dauntless comes with a host of amenities and options to suit your specific on-water pursuits. Pedestal fishing seats and an optional reversible pilot seat with livewell expand fishing capabilities, and the All-Activity Tower delivers extra watersports exhilaration. Unsinkably safe, reliable, and with plenty of space for people and gear, Dauntless is outfitted for the active family.

Go Boldly

- High-efficiency Mercury outboard engines power long days on the water
- All-Activity Tower option enhances watersports capabilities
- Rod holders and storage protect your fishing arsenal
- Ergonomic center console helm station with SmartCraft™ gauges eases

Core Comfort

- Comfort-minded amenities let you stay out longer
