

VANTAGE

SERIES BENEFITS

Capable and Confident

This multifunctional family of boats offers the space and capabilities active families demand. Leading-edge design combines with an impeccably crafted hull to deliver remarkable comfort, handling and stability. Best-in-class amenities and options make Vantage ideal for offshore cruising, fishing and adrenaline-pumping watersports. Vantage is equally at home in rough saltwater and sidled up to a 5-star restaurant.

Go Boldly

- Strong yet quiet Mercury Verado® outboards with power steering instill captains with confidence
- Innovative dual console design allows for incredible versatility
- Clean, smart helm delivers predictable handling and control
- Loads of standard and optional features take fishing and watersports to the next level

Core Comfort

- Comfortable enclosed head lets you stay out longer
- Innovative port seat and spacious bow seating mean every guest rides in comfort
- Available hardtops ensure protection from the sun and other elements
- Recessed storage holds gear for any on-water activity
- Deep freeboard and dual console layout adds protection and comfort
